

Battery T Handle Impact Wrench

INNOVATIVE DESIGN FROM RACINE RAILROAD PRODUCTS UK LTD

Powerful and Efficient

The 1" T-Handle Impact Wrench is a portable, battery powered, impact wrench.

Ease of Use

Its design allows the operator greater flexibility in tighter work areas. Ergonomic handles give handhold positioning for either horizontal track bolts or working vertically for lag screws.

Working Environment

Needs no mains power or fuel – providing safer working environments.

ZERO Emissions

Low HAV – safeguarding the operator.

Low Noise – night work in residential areas is easier.
